## INDEPENDENT AUDIT REPORT

*To the members of World Hope Australia Incorporated.*

### **Report on the Financial Report**

We have audited the accompanying financial report, being a special purpose financial report, of **World Hope Australia Incorporated** (the association), which comprises the balance sheet as at 31 December 2009, and the income statement, a summary of significant accounting policies, other explanatory notes and the statement by members of the committee.

### **Committee's Responsibility for the Financial Report**

The committee of the association is responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report, are consistent with the financial reporting requirements of the Associations Incorporation Act Victoria 1981 and are appropriate to meet the needs of the members.

The committee's responsibilities also include establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

## INDEPENDENT AUDIT REPORT (continued)

The financial report has been prepared for distribution to members for the purpose of fulfilling the committee's financial reporting under the Associations Incorporation Act Victoria 1981.

We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

### Qualification

As is common for organisations of this size and type, it is not practicable for the Association to maintain an effective system of internal control over income until their initial entry into the accounting records. Accordingly, our audit in relation to income was limited to the amounts banked and recorded in the cashbook.

### Auditor's Opinion

In our opinion, except for the effects of the limitations stated in the above qualification, the financial report of **World Hope Australia Incorporated** presents fairly, in all material respects the financial position of World Hope Australia Incorporated as of 31 December 2009 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.
